STOYA

PHOENIX MARIE

MAKING AN EXXXCEPTION

Dear FOX: So, Stoya. She wasn't even on my radar until I picked up your August issue with her on the cover. But then I googled her and now I gotta admit that I'm a bit obsessed. She's a little on the thin side for me but considering how flexible she seems to be I will make an exception. What I wouldn't do to fold her up like a rag doll and fuck her from all directions. She seems like she's got brains too, which is a nice bonus because it's always a better fuck when the broad's got a little something between her ears. If I had one suggestion for Stoya it would be to get a set of fake knockers sewn on or something. She'd be even better if she had a little curve

to her. But as I said, she looks like she knows how to do some secret circus sex stuff, so dealing with her flat chest may be worth it. Anyway, I always say I'll try anything once. Plus I've heard that tiny ta ta's can be extra sensitive.—*Martin via email*

TOO HOT TO WHACK IT TO?

Dear FOX: I'm a loyal subject of Princess Phoenix Marie. She is quite a woman. So sexy, I almost can't even rub my prick to her beauty because she is just too spectacular. Those legs! So sturdy. I wonder if she would like to wrap those thick, majestic thighs around my head and allow me to eat her orgasmic. Then, when her cunt is all gooey

from having cummed so many times in a row, she could clamp those perfect thighs around my neck and squeeze gently while I breathe in the scent of her happy pussy. I wonder if she'd be into that. I would even eat out her asshole—which I never do for no woman—just because she looks so clean and pristine and her asshole is such a perfect shade of lickable pink. But those thighs! I need to kiss those thighs and nibble them like two massive ears of corn and rub my hard-on up and down the tops of her legs from her knee to her hip. I imagine her riding me hard and fast while squeezing my ribcage tight between her two tremendous and shapely thighs.—*Barney in Madison, WI via email*

WILL NOT BE OUTBID

Dear *FOX* Magazine: I'm not one to write letters to the editor, but when I opened up your July issue and saw that "Storage Whore\$" layout featuring an amazing-looking gal named Stevie Shae I just had to pull out a pen and paper. That whole set-up was nothing short of amazing and that Stevie is, in my opinion, a babe unlike any other. She looks so sexy and almost vulnerable lying amongst all that garbage and her skin looks so smooth and soft. Man what a body! I'd love to give it to her from behind with my hands on her tits. She's got exactly the right-sized tits I like to see on a gal, not too big and not too small. Shame about all those crummy tats she has. I guess nobody's perfect. Hell, I wouldn't kick her out of bed for eating crackers, shit ink or no.—*Matthew in RI*

INFREQUENT FLYER

Dear *FOX*: I love your magazine and have for a long time. I am an especially big fan of those "On The Set" articles. They make me feel like I am right there and part of the dirty action. I would like to go to L.A. one day and

maybe tour a real porno set but I have never been on a plane before and right now that is just a pipe dream. In the meantime I am pretty content rubbing my dick raw to the photos and interviews and stuff you publish. Do you think you ever might have a contest one day where the winner gets to hang out for a day on a real, live porno set? That would really be pretty awesome. Especially if I won.—*Randall in MI*

A MAN WITH A HAND

Dear *FOX*: Ever since my last girlfriend left me my subscription to your mag is pretty much the only thing that has been keeping me sane. I have sworn to myself not to get tangled up with another bitch but I have a lot of urges and am just a horny individual in general. Anyway, normally I would head right over to my local bar and pick up someone to fuck for a while to take the edge off while I sort my head out. But this has never worked out for me all that well (that's how I would up with the last bitch—she was a rebound fuck from the bitch before that and the next thing I knew she was there at Christmas and stuff)

so I decided to try something a little bit different this time around. So I signed up to have *FOX* delivered right to my door every time a new issue is printed and let me tell you it is the best thing I have ever done for myself. Now I can jack myself sane and not have to worry about any of that emotional bullshit involved with getting together with a real woman, no matter how much she says she doesn't want nothing from you she always does. And then when you don't deliver she leaves, right when you get used to having her sorry ass around. Believe me on this point. Thanks so much *FOX* for always being there when I need you the most.—*B.L. in FL*

PAINTING HIS MASTURPIECE

Dear *FOX* Magazine: The redheaded babe on the cover of the August issue is one of the creamiest, dreamiest pieces of ass I've seen in a very long time. Her skin is so white and perfect. I see skin like that and to me it looks just like an empty female-shaped canvas just waiting for me to spackle with warm loads. White on white. Head to toe, layers and layers of spunk. —*I.F. in WA via email* 🐱

@clubalektrablue

It's rare to find a ho as true blue as Alektra, she's truly committed to a life of eXXXcess. Her fun bags have made hundreds upon hundreds of adult vids merrier thus far, and Alektra fully intends to continue right on having a ball. If it seems like she keeps getting hotter the older she gets, that's because it's an actual fact—her sexiness is increasing exponentially the longer she stays in the biz. How this can be true is anyone's guess, but one theory is that Alektra has very special skin that is stimulated by spunk on a cellular level. In other words, the more spooge Alektra sponges up, the more yummy and youthful she appears. So when every rut is regenerative, what else is a girl to do except keep on fucking till the cows come home? Considering how phenomenal it is to rub one out to Alektra's smoldering scenes, let's hope those beasts stay away a good while longer. 🐱

TITTERIFIC 18
IMMORAL PRODUCTIONS
IMMORALLIVE.COM
DIRECTOR
PORNO DAN
SLUT 'N' PUPPET
LEXI SWALLOW, RALPH LONG
PIXXX & ARTICLE BY JEFF HUBRIS

I love the name Lexi Swallow. I want to repeat it many times. Lexi Swallow Lexi Swallow Lexi Swallow. It is a phonetically and contextually perfect porn-girl name. Lexi Swallow's smilingly packed her tits, which are the focus of today's episode, into a black "immorallive.com" skin-tight top and is climbing into red bikini bottoms for Porno Dan's rack glorifying *Titteriffic* show for which she'll be banging out Ralph Long. Dan sits at the desk in his "office" in a fresh looking "I HAVE ISSUES" t-shirt.

"This is all about big tits and my son Ralph Long blowing nuts on them," he says distractedly. "It's just another excuse to provide the circus element that we love here, and we now have the Wheel of Debauchery being incorporated into *Titteriffic*. We're combining genres. Double teaming them."

I have a bone to pick with Lexi Swallow. She looked super awesome when she started a few years ago and I have to admit that I was let down when I saw that she had obtained a tit job. This is the first opportunity since then to register my disappointment and take her to task about what I considered an unnecessary augmentation of a porn body that was superfine to begin with. The good news is that in addition to having the wherewithal to conjure up one of the greatest porn girl names of all time, Lexi Swallow also sports a relatively easy to access, genuinely friendly personality, apparently unadulterated by artificial stimulants, depressants or anti-depressant drug cocktails that appropriate the original human personality and remove it several times from the source into being a parody of itself.

All of this works great to boost the general volatility and quaintness of porno circus land where the players are pre-screened for natural proclivities toward acting out in the first place, but some seemingly sane, rationally conscious beings like Lexi Swallow still seem to slip through the cracks, giving the impression that the personality you are experiencing at any given time might be the real thing after all. This being said, her reaction to my disappointment with her decision to change her rack, rather than with the tit job itself, which as tit jobs go is on the very decent side, barely raises an eyebrow.

"I think it just made me more symmetrical," she explains politely. "My boobs were just getting flatter as I got older so I had to do something. I was like a year in the business and I just wanted a change. I do more glamour stuff now. Like more photo shoots and stuff like that."

Now I feel like a total asshole. In my own special brand of mental illness I had come to feel like I had some sort of jurisdiction over the previous state of Lexi Swallow's rack and took it personally that she had the gall to mess with "my property." Yes, I am a sick person. But you must understand, this all comes from love and a desire for what *was*. Lexi Swallow doesn't give a shit about any of this but unknowingly disarmed my negative feelings with truth, beauty, the power of knowing oneself and the reality that I have no influence in this realm. Now I'm in love again. My extreme shallowness and Lexi Swallow's nurturing indifference allows me to reframe the situation within the blink of an eye. I love Lexi Swallow and her new rack now—maybe even more than before!

Porno Dan is solicitous of Lexi Swallow because he loves her too. He's stress-free because he knows that, no matter what, this is going to be good. He's placed her in front of the webcam to field comments from prospective viewers. Someone asks her name. "My name is Lexi Swallow," she answers. "And I'm going to suck and fuck and titty-fuck. But sorry, you're going to have to wait six minutes."

Porno Dan does his usual carnival barker intro before a short Q&A.

"Today is Tuesday and Tuesday means the big, huge, glorious tits of Lexi Swallow!" he announces. "Lexi Swallow is back because you guys didn't see enough of her blowjob skills. She was amazing in *Cock Sucking Challenge*. Oh, God in heaven, stand up and see what we are working with today. Holy mackerel! Take off the panties and show them what you have because you have an amazing body. Last time you were here you won the challenge fair and square. This is a mouth that pleases and pleases and pleases. Lexi Swallow, tell us a little bit about yourself."

"I've been in the business two years now," she says. "Before porn I worked in luxury retail sales. Handbags and fine leather goods."

"Is porn is more fun?" asks Dan.

"Yeah," she replies. "And you get to have an orgasm almost everyday."

Lexi spins the Wheel of Debauchery to choose the initial sex act. It lands on ASS EATING.

"Time for you to toss some salad, kid!" Dan yells to Ralph Long.

"All right, get your ass over here," Ralph says to Lexi. She assumes the position on the Official Immoral Productions Sexual Performance Couch and spreads her ass cheeks. Ralph dives in. "Thanks!" she says.

LEXI SWALLOW: I'm Italian, Polish, German and French. People think I'm Russian because I'm blonde, which is weird to me. All the guys I knew in high school have called or figured out some way to hit me up or get in contact with me. They're like, *Can I meet some of your friends?* No. If trying to fuck me didn't go down in high school they know it's not going to happen now. ...I do really enjoy giving blowjobs and I do enjoy swallowing. Absolutely. My tits fluctuate in size. They're like a 34DD or a 32. The weight makes them fluctuate. And when I'm on my period they go up a size. A lot of it's real. I only have 370 CCs. I just got them filled up. My implants are above the muscle. This is all real underneath. You gotta have boobs beforehand if you want to look natural. Aleksa Nicole and I had the same doctor, but she has a different body type. ...I haven't really changed sexually since I started. I haven't really gotten more perverted. I've actually gotten more down in my extracurricular life. You do so much on film it's like, *I'll just save that for the camera.* I do more group scenes now but I did stuff like that before I got into porn. My personal life is very tame. I'm in a committed relationship. Every once in a while we'll do an occasional threesome, bring in an extra chick. It evens the playing field. So far so good! I've been going with this guy for about nine months and he isn't in the porn business. He's in the entertainment business, though. Not adult. ACTUAL entertainment as opposed to the imaginary kind. In my personal life, it goes through different phases. Sometimes I like to be just rough-housed and thrown around and other times I want to be the one that's dominant and take control of everything. Or sometimes you just want lovey-dovey sex, less porno and more soap-opera sex every once in a while. I gotta have clitoral stimulation at the same time. Sometimes a vibrator and sometimes a hand. Fingers work really well, too. Doggie's good, but even mish is really good too. Or spoon, one of those lovey-dovey positions.

LEXI: I've never done anal on-camera. It's just not something that I'd be super comfortable doing. I do it off-camera. I dig it occasionally. When the mood strikes. I know some girls really dig it. Eye contact has always been a big thing with me, so that always continues to be something that gets me off... I know that sounds silly. I still continue to enjoy a little bit rougher sex. But there has to be a connection, a chemistry. That's the thing that gets me every time. Any person can fuck hard but if there's something else there. To make myself cum I think of some scenario. Like, I've had sex in a lot of public places. The thrill of getting caught is something that's gotten me, too. I've had sex in a lot of public places. That's always something that's fun. I think one of those things now is that if a guy doesn't know how to fuck, it's really frustrating. I work with all the top guys most of the time. Every once in a while we have a few amateurs, but we get used to getting fucked a certain way. It seems almost better, not the less we do, but the more we're like a fuck doll. It just works out the best if you just let him go to town. ...I've been doing tons of conventions and I started feature dancing in last October, so hopefully there'll be more gigs to come. I haven't danced since November but it was a lot of fun. You just get to get out and meet the fans and put on a little show. I've only done two shows so far, one in L.A. and one in Sacramento over Thanksgiving. People showed up at the club, even on Thanksgiving! Part of the problem is that some clubs don't necessarily want my last name up there. I think that Courtney Cummz has the same problem as me sometimes....

There's blowing, couch mish and then an awesome titty-fuck. Ralphie calls for a break and tells Porno Dan to bring two waters. Dan returns with the waters and tea for himself.

"I'm a kinder, gentler Porno Dan," he explains in the modest third person. "This is Porno Dan on tea. No vodka for him. I can't handle vodka anymore. I've banished myself from vodka."

This may explain the curiously businesslike atmosphere here today. If Immoral Productions can keep this up there may be some hope. For what it's hard to say. Up with hope! A famous person once said that. That's all.

The break is over. "Why don't we start this off with a handjob?" suggests Ralphie. He takes a look at the computer screen. "Salad tossin', then cowgirl, then pop," he says, "The only other thing they want is mish." Good sport Lexi Swallow is totally down and replies, "There we go!" Ralph eats ass again and bangs her in couch missionary, then she climbs onto his unit and he blows load on her ass from cowgirl. This thing is supposed to be over but there's still some time to kill. Ralph makes his exit and Lexi Swallow wipes off.

Enter Porno Dan. He re-directs her to the couch, fires up a vibrator and applies it to her clit, then whips it out for a final fuck, eventually blowing another load on her rack. My god this is a seedy place. A den of fornication that feels illicit and soiled, but isn't really. You won't need a shower or a full hose-down after breathing this air, maybe just a whore bath.

As always, a few minutes later Dan stands with Lexi, addressing his minions through the magic of the internet for a sign-off, a feeling of closure. "Everyone thank you so much for watching the truly amazing Lexi Swallow!" he crows. "You are truly a wonderful woman and we love you for coming to Immoral Productions once again! The least professional place in porn!"

PORNO DAN: Lexi Swallow of lexiswallow.com, you are truly amazing. This is the least professional place in porn. Right, Jeff?...that's what you call it. Jeff calls it like it is, *Where the camera-man jumps in*. Right?

LEXI: I like it here.

JEFF HUBRIS: This is beyond old school. This is the new school, for all the degenerates. This is the school for all the people that got kicked out of school. The school that the really bad kids had to go to? That's what this is. When girls in porno are super good-looking, it's always a plus.

You mean like the six that there are? Or maybe seven or eight? Depending on who is retired and not retired? My mom would be so proud. So would mine.

RALPH LONG: When you getting Charlie Sheen over here, man? 🐱

Jessie Volt

@jessievolt

French girls are fucking awesome. They have sexy accents and wear stylish clothes. Plus, the slutty ones tend to be super duper slutty, their minds, mouths, and legs way more open than those of the average American broad. Bordeaux-born jazz mop Jessie Volt is the perfect example. Young, fresh, and hungry, this petite beauty was so obviously put on this earth to put out. Any scene starring the international supertramp is nothing short of electrifying thanks to her laid-back, Euro approach to providing pleasure. She seems to have no sexual hang-ups whatsoever, and fucks without giving a fuck about anything else. Jessie can handle any sort of rock thrust her way—any size, any color—and her not-so-secret power is taking down several at a time. The smooth elasticity of her asshole is epic, and the warm, generous hospitality she shows her back door visitors is solidifying her reputation as being one righteous lay.

KATSUNI, ALANAH RAE

PIXXX & ARTICLE BY JEFF HUBRIS

I'm off to a great start. I walk in and knock a sizable portion of the makeup owned by today's aesthetician, veteran performer Nicki Hunter, onto the floor. Under normal circumstances this could be grounds for immediate dismissal. But fortunately for me, Nicki chooses not to take me to the mat as so many would—and could—under such stressful porn-set conditions. But wait a minute, my extremely acute set-strife detection meter senses no stress in the air to begin with. Nicki acts like it's no big deal and says she'll clean it up later. Asa Akira laughs from the makeup chair. Andy San Dimas stares into her cellphone from a distant sofa. Miles Long doesn't stop shooting stills of Katsuni while screaming, "Amazing! Beautiful!" and "Amazing!" after each camera flash. If I'm not mistaken, this is already a very meltdown-free zone. I sense a very auspicious, constructive porno vibe that could very well connote a positive result. Wow, this is a weird fucking place.

In today's scene for *Girlfriends 4*, Miles Long has gone out of his way to bring together an A-team of very sought after, highly experienced talent to provide a knockout punch of girl power that will leave viewers dazed and listless from pornstar overkill. It's an all lesbian scene, undiluted by the impurity of male genitalia in a state of sexual excitation, leaving only four very popular pussies—and their extremely important and beautiful vaginal support systems for your viewing pleasure—in the form of Asa Akira, Andy San Dimas, Alanah Rae and Katsuni.

"I figured that it might be a good idea to not be the also-ran for the best all-girl sex scene three years in a row, so I asked myself what can I do to hedge my bets?" Miles explains. "I know! I'll just get the absolute best that I can possibly afford to put in one scene, no questions, no holds barred, no expense spared and just film what happens!"

Long is an XBIZ, Urban X and AVN Hall of Fame director and performer (that's THREE halls of fame, losers!) who is also an accomplished photographer and an excellent cameraman, which means he does it all himself. His scenes hearken back to the golden age of porno, before everything went to hell with a tsunami of camera toting retards helping to further the already well-established bandwagon of porn remediality. Putting it bluntly, he turns out a lot of high-quality shit.

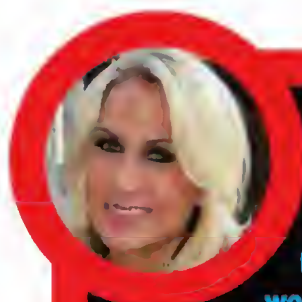

Miles gathers the girls together. All have slipped into slinky, glammy outfits. Things will begin with a Tupperware-style party that involves a line of sex toys which will be prominently featured in a sneaky episode of cross-promotion. This leads to a period of discovery for the girls, who are purportedly extremely curious about the toys yet ill-experienced regarding their use.

Long feeds them lines. "*So they have all those different speeds and they're waterproof!?!...Well, I've never used a toy before...how do I use it?...Like, I don't get it, where do you put it?*" And then everybody goes crazy just like it happens at my house!"

Damn, this is going to be fucking easy. He says he wants twelve minutes of softcore and then instructs the crew to "go crazy" for thirty minutes straight. The glammed-up cadre enter the room and exchange niceties regarding the array of toys. They're powered up and the room begins buzzing with several registers of vibrator noise. Panties are left on as the devices are applied to fabric covered vaginas for the softcore. Eventually, nakedness is achieved and the honest poking begins. Within the white couch staging area, all permutations of porn girl orifice penetration are thoroughly investigated. The orgasm screaming is relatively constant but seems to move like waves crashing on the beach, reaching a crescendo, then a time of consolidation, storing up energy for the next onslaught.

ALANAH RAE: I was born in Jersey but I grew up in North Carolina. I've been in this game for about three years, I think. I was working at an in-ground pool company in North Carolina, in their accounting department. I don't know what the motivation was to do porn. I think it was mainly that I like sex, so I knew porn would be fun. The people who brought it to my attention to do it, did it mainly as a joke. They thought it was funny and did it to make fun of me. It was like, "You should totally do it, but you'd never work and you don't have the guts" kind of thing. I tried working as a cocktail waitress back in North Carolina and I got pissed off that the strippers made more money but I was a terrible dancer and porn was the next best thing. I just couldn't dance and I would trip over my shoes. I was an uncoordinated mess. I moved out here to start doing porn. ...My personal sex life before porn was way crazier than it is now. Before, everything seemed so taboo. Like, I wasn't supposed to do certain things so it was more exciting. Now it's like I can do whatever I want to do, and I do most of it all day. When I go home, what else is there to do? It's hard to find people to do what people are willing to do every day now for me. It's hard to transition from fucking someone at work who's crazy and we're having a great time to fucking someone who just wants to do missionary. Sex in public used to get me off a lot. Yeah, I'm one of THOSE. I mean ANYWHERE: nightclubs, behind dumpsters—the thought that anyone could walk by. When I'm not in public, I really love it unscripted, unplanned. If you want to do something, just do it. There's not any one certain thing that gets me off. Unlike a lot of girls, I cum. At work it's a little bit harder but I can still get there if I'm really concentrating. I cum with someone who's really assertive and aggressive, but not really overpowering me. A little dominant, but a little submissive too. Like, they will let me attack them but know that at the end of the day they are bigger than me and they'll just put me down. I'm not into that "You're my slave, shut the fuck up" stuff but, you know, just a little. I do like the choking thing a little bit up to a point but not when it goes too far. Then you just have to smack him back and tell him it's a little bit too much. Most of the time I have to be on top to orgasm because I can squirm around and do it myself. But it's not really a certain thing. It's the movement. When I get myself off I use my Hitachi and most of the time I'm fucking my ass. I put a dildo up my ass. It's hard for me to do it vaginally by myself. With guys I can do it. I don't have sex up my ass—I can only do it myself. I don't do two dicks. I've never done a DP. I've done anal a couple of times on camera but I like it better when I'm doing it to myself because I'm in control. When I'm masturbating I do everything I like. I DO like doing anal at home with my boyfriend, but that's totally different than doing it on-screen. We do other things to get off, but mostly it's that. I got my breasts after I started in porn. I mean, they've made me money so I can't really complain. I went from barely working to working every day. So it was a good investment. It's not like I can't take them out when I'm done. When I started I had really little breasts. Now when I look back on it, I think like what the fuck was my problem? But that's life.

ASA AKIRA: Squirting doesn't coincide with cumming for me at all. It's more like I look down and I'm squirting. I act like it does because what else am I going to do? It has nothing to do with my clit. It's almost not like linked mentally enough for me to have a real orgasm. Like when they're trying to make me squirt with their fingers...for me an orgasm IS so mental that my head's just not there because I'm thinking, *Oh, he's going to try to make me squirt. Not so much like, Oh, this feels so good.* In my personal life, five minutes is totally enough. ...Skin Diamond's vagina is identical to mine except it's darker. It's really weird. When I peeled away her panties and I saw her pussy I was like, OH MY GOD! It looks just mine, exactly the same but darker. The same lips, it's so weird. I was like I know exactly how to eat this one. This one is not a challenge!

ANDY SAN DIMAS: In December and January I think that no one likes me anymore and I think about starting to do anal to get attention and I always talk about how I'm going to do it that year and it doesn't happen. I'm shooting at least three or four days a week right now which is good. I've been doing a lot of features. I've played a secretary so much lately. I think it's because I'm not a young girl but I'm not milked yet. I mean, look at me, do I look like I'd be a secretary? The other week I worked with Nacho Vidal a bunch of times. That was really crazy because I'd never worked with him before, but I'd heard stories. So I'm like, ooh, I'm scared but I'm excited too. He's so creative and so fun! Like he had me wear a pig nose. I know you guys love porn pigs so he made me into one. He made me eat garbage. I let him cum in my eyes. He tried the first time and he missed and then the second time he did it. I told him he could. He started to cum and I said, *Why don't you cum in my eyes?* Because I'd never had anyone do that before. I mean, sure, by accident, but I never asked for it. Yeah, we definitely had some fun. Work always picks up every year, but I always forget that. I play these mind games with myself. I'm really happy to be working a lot but at the same time it would be nice to have a couple days off to relax. Now I just don't have time to sleep a lot. I've always got something to do when I get home so I don't fall asleep. And because I haven't been home very much lately I can't get comfortable at someone else's place. I need to have all my stuff. But it'll all be okay I'll be fine. I'm having fun right now, I'm happy. I'm pretty tired right now and trying to get some caffeine in me. This scene is gonna be pretty intense. We have four really energetic good performers here. I've never fucked any of these girls that are here today. I mean, I know all of them but I've never had sex with any of them. I'm not big on toys, so we'll figure it out. When I'm tired I have to pull some tricks out of my hat and have a lot of caffeine. I haven't had any today. I'm drinking a Coca Cola and as a caffeine addict, Coca Cola ain't shit. Coffee I can't do. My caffeine of choice is Red Bull or a Five Hour Energy drink. ...I've been on the Sybian once, and I could justify buying one.

ANDY SAN DIMAS:
I remember watching porn before I did it and it was so magical.

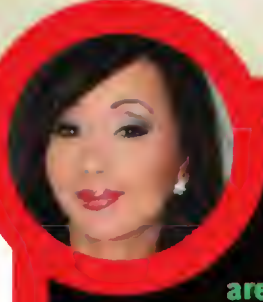

ASA AKIRA: I don't really feel that way about porn. I mean, I still watch a lot of porn but I feel that way about reality television, like it's harder to fool me now. At first I like believed everything. I have a lot of weird fantasies. I'm an only child so I have a lot of incest fantasies. Nobody older or younger, I always wanted a twin brother that would be in love with me and wouldn't let me fuck anyone else.

I want to take someone's virginity. I never have. I was too scared to. It's overrated.

ALANAH RAE: I want to be kidnapped by someone not necessarily that I don't know, but by somebody like if I went to a coffee shop and he works there.

KATSUNI: I've been doing this job for twenty years so you change as a person but mostly you change as a human being, as a woman. Because I'm not the same woman as when I started to do porn. You know, I was 21 when I started. So I had to learn a lot about myself, I was looking for my limits. Today, of course I have my friends, so I really know what I like and what I don't like. But I still think that there are no limits as long as you are with the right people to experience your sexuality. So I still enjoy doing scenes, but I also have sexuality in my private life, which wasn't the case for years. For years I was only having sex outside. This is why I was so hungry. This is why I was so into it. Today I'm into it. But I also enjoy my private life because it is so exciting to have sex without a camera! I can do a crazy, crazy scene which will be shot in a parking lot, anywhere outside, in the streets...you feel safe. This is WHY I did porn. You can experience crazy things. I felt safe with people who are tested, who are professional. I knew I wouldn't be raped, you see what I mean. It's so great to be able to try all kind of things when you know you are with people who know what you want and they respect that. But then, it's so exciting to do even little things...when you have no idea of what's next, you know? You don't control. And I love it. I really believe that my limits were reached. I would say that until two years ago, because I was so big and I did many things maybe I can't go any further. The fact is that I have a very special boyfriend and I think I realized that I still have a lot to discover, which is great. You have human feelings with people you work with. It's not about love, it's more about giving, it's still about giving and receiving. It's still about sharing. But it's still a job, too. So you pretend, you are supposed have to have sex from 2 to 5. When you are with somebody you love in your public life everything's possible. For me, to share it with somebody like my boyfriend, who is in the industry, that's huge. It's Manuel Ferrara. So now you listen when I say there are no limits! We were "officially" together in Vegas. It's not just about a French "connection." I mean, I have worked with French performers before and there was no connection. Of course we have the same culture and when you have the same culture, you probably have the same emotions. But no, it's much more than that. We have known each other for years, more than ten years, so it's not just a crush. It's very, very strong.

Luckily for me, this constructive porno vibe has proved to be beneficial. My trashing of Nicki Hunter's makeup table cast no pall over the proceedings. I'm still here, after all. Each girl gets worked over nicely but a great amount of time is spent on Alanah Rae. When it's over, proud porn coach Miles Long seems pleased.

"I think this was a winner here, you know what I mean? There's no question that it will make the nomination for best group sex scene. I mean, how could it not? If I just sat there and did a BTS interview it would still make a nomination. That shit was just all over the place, man. That was a priceless moment when they were just totally molesting Alanah," he says enthusiastically. "Then she had an orgasm and there was a shot with the two girls on the bottom coming in for a kiss in the foreground and underneath them you saw Alanah and the other girl kissing, so there were like two kisses going on at the same time. It was fucking priceless. It was one of those moments that you couldn't pay for with a wet dream. It's like, god I couldn't even dream that good! How did I get so lucky?" 🐱

@skin_diamond

Look up "sexy bitch" in the dictionary and there better be a full-color, full-frontal photo of Skin fucking Diamond. It's not often that supermodel-caliber loveliness is combined with a punk-rock look, and the result is totally enchanting and nearly impossible to forget. But not even tats and a semi-shaved head can disguise the powerful smolder of her exotic eroticism...Skin is one of the few stars in the entire porn galaxy that can look elegant while having her asshole pounded from pucker to gape. She looks fantastic doing more sensual stuff too, like easing a curved black dong into the velvety folds of her vage. She likes doing that a lot-getting off with a dildo-because she digs the scent of her own satisfaction. The sight of Skin cumming is an aesthetic event of major importance. That exquisite face of hers twisted up into an expression of orgasmic bliss...it's as stirring as one might expect from a museum-worthy piece of ass. 🐱

DIRECTOR
GRAZER

SLUT 'N' PUPPET
CHASTITY LYNN, ERIK EVERHARD

PIXXX & ARTICLE BY JEFF HUBRIS

Chastity Lynn shows up all fresh and lanky and looking as though there has been a new beginning.

"I've been having more sex," she says. "But I have made more of an effort to get to the gym. I think before I was going to the gym about once or twice a week and now maybe I'm going like six days a week."

Elegant Angel director Grazer, also known as A-list performer Mick Blue, will be shooting a scene for his movie with the very self-explanatory title *Anal Students* and soon has her tricked out in an extremely sheer, stripper version of the come-hither-classic diaphanous peignoir plus black heels.

"This movie is about girls who are new to anal scenes," he explains. "It starts off with an interview with every girl where they speak about their anal experiences and all this kind of stuff. I'm trying to gather a personal view inside the heads of the girls, you know, and also about the feelings that go through their heads the first time they have something in their ass, because I think in most movies that's not explained enough."

Whoa. Stop here for a second. In most movies, a personal view inside the heads of girls is for the most part conspicuously avoided in favor of a personal view up and into their vaginal and anal cavities to the exclusion of any intellectual underpinnings or motivations. Context is hot! Girl thoughts about anal histories are even hotter!

"Chastity has done girl/girl anal stuff before, but I think this will be only her third or fourth actual anal scene," he adds. "We'll just see how it's going to go."

I'll admit it—I've been fucked up on Chastity Lynn for quite a while. When she first got in, she sported an eye-popping nubility that was hard to ignore. As we know, all pussy is good but at the core I'm basically a MILF chaser. So, for me personally, it's not really my fetish but you couldn't ignore her. If looks and outrageous youth had anything to do with it, this blonde Seattle newbie was going places in Pornoland. There was a plateau phase and she's 24 now, but as of late her career is experiencing a serious upswing, at least since being taken on by porn super-agent Mark Spiegler.

"I've been working like everyday," she says. "For the past month it's been really good, like five or six days a week for the past month and a half or so. I've been doing a lot of girl/girl too. It's kind of back-and-forth. I got two girls yesterday. That was exciting."

Even so, from the beginning, hiring Chastity Lynn for a scene is always a decent investment. She throws down and bangs the daylight out of herself and whoever else she's told to. All killer, no filler. Unlike so many of her pathologically narcissistic contemporaries, she's never a lazy fuck. There is nothing worse than a lazy fucking fuck, who disconnectedly does only what is needed to slide by, especially on camera for fuck's sake. Also, as vaginal eccentricity goes, Chastity packs an absolutely distinctive, heavily lipped slice of heaven with a very distinctive personality of its own. Easy to pick out of a pussy line-up. A slamdunk. I have this pussy memorized, among others, because in the end, that's what I do.

Grazer will shoot a video tease that proceeds a vaginal and, of course, anal plowing of Chastity Lynn's fun holes by the extremely reliable professional Erik Everhard, who is known for his ability to work over the young ladies in the most energetic ways possible. If porn fucking ever becomes an Olympic event, he's a shoo-in for the gold. It would be a tight race between Everhard, Mick Blue, Manuel Ferrara and a few others though. That event would be way more exciting and interactive than archery or team dressage for sure. Watch the ratings skyrocket.

Grazer shoots the video and then sets up Chastity Lynn for the interview.

"I would like you to give me true answers to my questions because it ends up being more natural," he says carefully. "It doesn't matter how weird it is. It's a personal introduction to the scene."

I highly approve of this poke and hope strategy, asking a porn girl straight up to be honest. It's a leap of faith with weirdness requested. Either truth, weirdness—or both—are a go.

The interview segues into Chastity Lynn getting out of her bra and panties, then Grazer gives Everhard the high sign and he enters. Pussy is munched and eventually he inserts a vibrating buttplug up her backside and plows vagina for a DP. As expected, Everhard conducts a very high velocity invasion of Chastity's cooch and ass, a brutal exercise for one of lesser moral, vaginal and anal fiber to endure. The action-packed Everhard experience is something that many girls find necessary to work up to, but Chastity Lynn takes it all, pounds back and even throws some really decent gapes no prob.

Everhard blows his load from anal doggie onto Chastity Lynn's buttock and it's over. Grazer shot it straight through with nary a break, not even for posed sex stills. These shots are all live. This is just how it went down from start to finish. Porn vérité of an absolutely stellar railing of this Seattle blondie in the middle of a major porn career upsurge who just keeps getting hotter and better.

Chastity Lynn is now an official anal honor student and with this achievement has a great shot at passing the stringent performance exams at the esteemed University of Pornography at Chatsworth (UPC), an institution of higher pornographic learning. The highly sought after MFAA (Master of Fine Anal Arts) graduate program provides the advanced techniques and experiences needed for those ready to embrace a life of continued learning as a generous, skilled and deeply committed anal artist. Talent is always an A\$\$et though. The bottom can take you to the top. This girl's got it.

CHASTITY LYNN: My personal life sex has dwindled. There's no one hot enough to have sex with. All the hot guys are already taken. ...Before porn I never used a vibrator and I never hooked up with a girl. I was just like so normal, vanilla sex and then I started hooking up with this girl who was the one that got me into porn. Her name is Ellie Idol. She wasn't in it for very long but she was a total freak and she would always have me come over and fuck her boyfriend and her boyfriend's roommate. That was probably my first time fucking multiple guys. ...I don't know if I've changed sexually. Probably back then I didn't like anal, now I definitely like anal. I just started kind of playing around with it and practicing with buttplugs and watching a lot of porn. When I was twenty-two I tried to put a cock in there first but it didn't really work out too well so I practiced with some buttplugs and dildos and stuff. The dick was too big and it hurt really bad. It just felt like it was ripping. It hurt the first time but I kept going because it turned me on. I tried the dick every now and then, like not all the time, just like a little bit, you know, and never for very long. I would have to count strokes kind of because it hurt so much. It just took a while. After a while it really started feeling good. ...This was my first time working with Erik Everhard. I was so excited. ...If a guy has really good tasting cum then I like to swallow his cum, but I also really like it in my pussy. 🍆

If one were forced to find fault with the outwardly purrrfect Remy LaCroix, it would have to be that she hangs on to every single scrap of crap. Srsly, the girl can't seem to get rid of anything, from wires to tires to sponge-stained mattresses. But wait! Keeping that banged-out old bed was actually sort of wise, because it provides a nice, soft surface for Mlle. LaCroix to have herself upon. There's nothing worse for a prettied-up gal than feeling all lusty with her twat all a-tingle and being forced to drop down onto the dank, dirty floor in order to frig one's bean. So a while back, in savvy anticipation of her pussy's carnal cravings, Remy stashed that soggy mattress for a future self-hump instead of letting the garbage guys haul it away to the dump. And it's cushioned her climactic throes countless times since.

The Twitter Interview

3/2015

Missy Monroe By @Gabriel_Lan

When she retired at the ripe old age of 22, Missy Monroe had already done hundreds of scenes in the early to mid 2000s, the vast majority of which were renowned for their extreme hardcore, down and dirty, balls-to-the-wall nature. Now Missy has decided to make a comeback (or "cumback?") and at just 28 is even hungrier for more of the incendiary filth that made her a first ballot "Spank Bank" Hall of Famer as far as I'm concerned. Never one to settle for lame-ass, boring shoots, she says the six-year hiatus has made her hornier and kinkier than ever. If that's the case, smut fans of the world best brace themselves, because this is gonna be one helluva ride! Missy has only recently joined Twitter, but once word of her return gets out, her loyal fans will turn her modest 1,000 followers into the tens and even hundreds of thousands very quickly.

@Gabriel_Lan: Wow! Can I just start by saying how truly an honor this is for me? You are in my own personal hall of fame, so thank you so much for agreeing to do this interview.

@realmissymonroe: Thank you! FOX has always been one of my favorites and I am super excited to be able to be working with you guys again! It means a lot to me to know how much love I still have in the industry!

@Gabriel_Lan: So, the exciting news is that you're making a comeback! How did you come to this decision?

@realmissymonroe: Yes, I am! It was six years in October since I have shot any movies so it's definitely a big deal for me!

@realmissymonroe: When in the adult industry, I had some of the best times of my life, not to mention some of the best sex that I could ever imagine having!

@realmissymonroe: I am a very sexual woman so I just couldn't stand not being able to share that with my fans anymore, and indulge in it myself! :)

@Gabriel_Lan: What did you do with yourself while you were away?

@realmissymonroe: Since I left the industry I have become a mother. I have an amazing 5 year old son. He is the light of my life. I have not worked very much.

@realmissymonroe: I did dabble in timeshare. I have made a couple of moves, starting by leaving California to go back to my home town of Las Vegas, NV in '07.

@realmissymonroe: Last year I stayed in Orlando FL for the summer, then back home to Vegas.

Edit

@realmissymonroe: I love this city! It's where my lifetime friends and family all are so it's a great support group to have when raising my son.

@Gabriel_Lan: LoL I suppose having a little guy around has taken up a lot of your time. How rewarding and special has been being a mom been for you?

@realmissymonroe: It's honestly such an amazing thing to bring a new life in the world. I have learned so much more from him than I would ever have expected. The biggest and best thing he has shown me is how to love unconditionally.

@realmissymonroe: He is such a great kid!

@Gabriel_Lan: He's approaching the age where he'll be starting school soon. How has that affected you? You getting very emotional about it?

@realmissymonroe: I actually registered him for kindergarten today! It's going to be hard not being with him all the time!!!

@realmissymonroe: But he is super smart and like a sponge when it comes to learning so I know he will enjoy it very much!

@realmissymonroe: On the first day of school I expect him to be elated while I am an emotional wreck! Lol it's hard to see your baby grow up so fast!

@Gabriel_Lan: What's been the biggest challenge of motherhood for you so far?

@realmissymonroe: The biggest challenge of being a mom would have to be that I have done it on my own for the most part.

@realmissymonroe: His father has not been in the picture, but he has had some great male role models around to help, including my best friend Drew.

@Gabriel_Lan: Even though you were away for a while, you're still only 28 years old. How long do you plan on sticking around the industry this time?

@realmissymonroe: I hope I can stay for a long time to come. I love to be in front of the camera! I also plan to put myself through school to do hair and makeup.

@realmissymonroe: Hopefully I will be able to continue behind the camera after my filming days are over...

@Gabriel_Lan: Did you keep in touch with very many porn friends and acquaintances during your time off? Was there anything you missed being away?

@realmissymonroe: I have kept in touch with a few. Cytherea and I are great friends, our little boys are as well. I still keep in touch with a few others too.

@realmissymonroe: I missed so much being away...my friends, sushi lunches after shoots, bowling with the guys in my lil mini skirts, meeting my fans...

@realmissymonroe: ...mostly I missed the amazing sex!!

@Gabriel_Lan: You still get recognized when you're out in public? Any of those awkward "I know you from somewhere" moments?

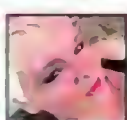

@realmissymonroe: Yes, it happens once in a while. The most awkward was probably when I was working in timeshare and a guest flipped out when he saw me

@realmissymonroe: And then I had to explain to my co-workers why this complete stranger was so excited to meet me. Lol

@Gabriel_Lan: The industry has gone through some changes even in the relatively short time you were gone. What do you see as the biggest changes that have occurred? Good and bad.

@realmissymonroe: Well, I see that AIM is no longer where talent gets tested. I was surprised when that changed.

@realmissymonroe: Also it seems that a lot of things being shot now are for web stuff.

@realmissymonroe: I think that the changes in social networking have made adult stars a lot more mainstream and I like that.

@realmissymonroe: When I got out of the business it was before the iPhones came out and before Facebook and Twitter. Good ol' MySpace days lol...

@realmissymonroe: Being able to connect with your fans on a more personal level is pretty amazing.

@Gabriel_Lan: Social media itself has changed a lot...I remember those days LoL. You planning to be fairly active on Twitter?

@realmissymonroe: Yes! I have recently started in on Twitter and I really like it. I would love to be able to share my amazing life with my awesome fans!

@Gabriel_Lan: What about yourself? How do you think you have changed since the last time you were in front of a camera without any clothes on?

@realmissymonroe: Well, I have grown up a lot! I have become more in touch with my body and with what really turns me on!

@realmissymonroe: Plus my boobies have gotten a lot bigger! ;) 36DDD now!

@Gabriel_Lan: Wow!!! 36DDDs??? That opens up a whole new niche for you, too. Yet another of the "rewards" of being a mother?

@realmissymonroe: I'm still in shock that they got as big as they did. Before I had my son they were 34C or small D and then I thought they were huge!

@realmissymonroe: But I guess it does open me up to a lot more big boobie movies :) Thanks lil guy!! Lol

@Gabriel_Lan: Speaking of which, you're now in line for the title of "Hottest MILF on the Planet." LoL. Just look at all the new niches this comeback will have.... Agree?

@realmissymonroe: You are sooo sweet! I really hope that everyone else will respond to my return like you are!

@realmissymonroe: I'm a lil curvier and a lil bit older so I think that will definitely attract a lot broader of a fan base then when I was just a lil girl.

@Gabriel_Lan: Have you gotten any new tattoos since we last saw you?

@realmissymonroe: Yes, I have added to the ones on my arm and plan to get some more very soon! I love very girly tattoos!

@Gabriel_Lan: Some filthy perverts might think you were at your sexual peak back in '06, but that's just not true for a woman, is it?

@realmissymonroe: I thought then that I was too! Haha but things for me have changed.

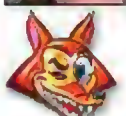

@realmissymonroe: I know what I like and opened myself up to try new things that before I thought were not my cup of tea. Now I love them!!

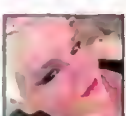

@Gabriel_Lan: You were known for your extreme, intense, hardcore scenes during your previous stint. What do you plan to do this time around? And what do you plan to do differently?

@realmissymonroe: I am still hardcore!! ;) I have become more and more interested in kinky sex, so I guess only time will tell!

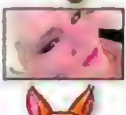

@Gabriel_Lan: Wow! You think you can actually top your previous incarnation? You were pretty kinky already lol. This I gotta see ;-)

@realmissymonroe: Yes! I am a lot more "kinky" now! I get off on pushing myself and submitting to another person. It's fun to see how much I can take!

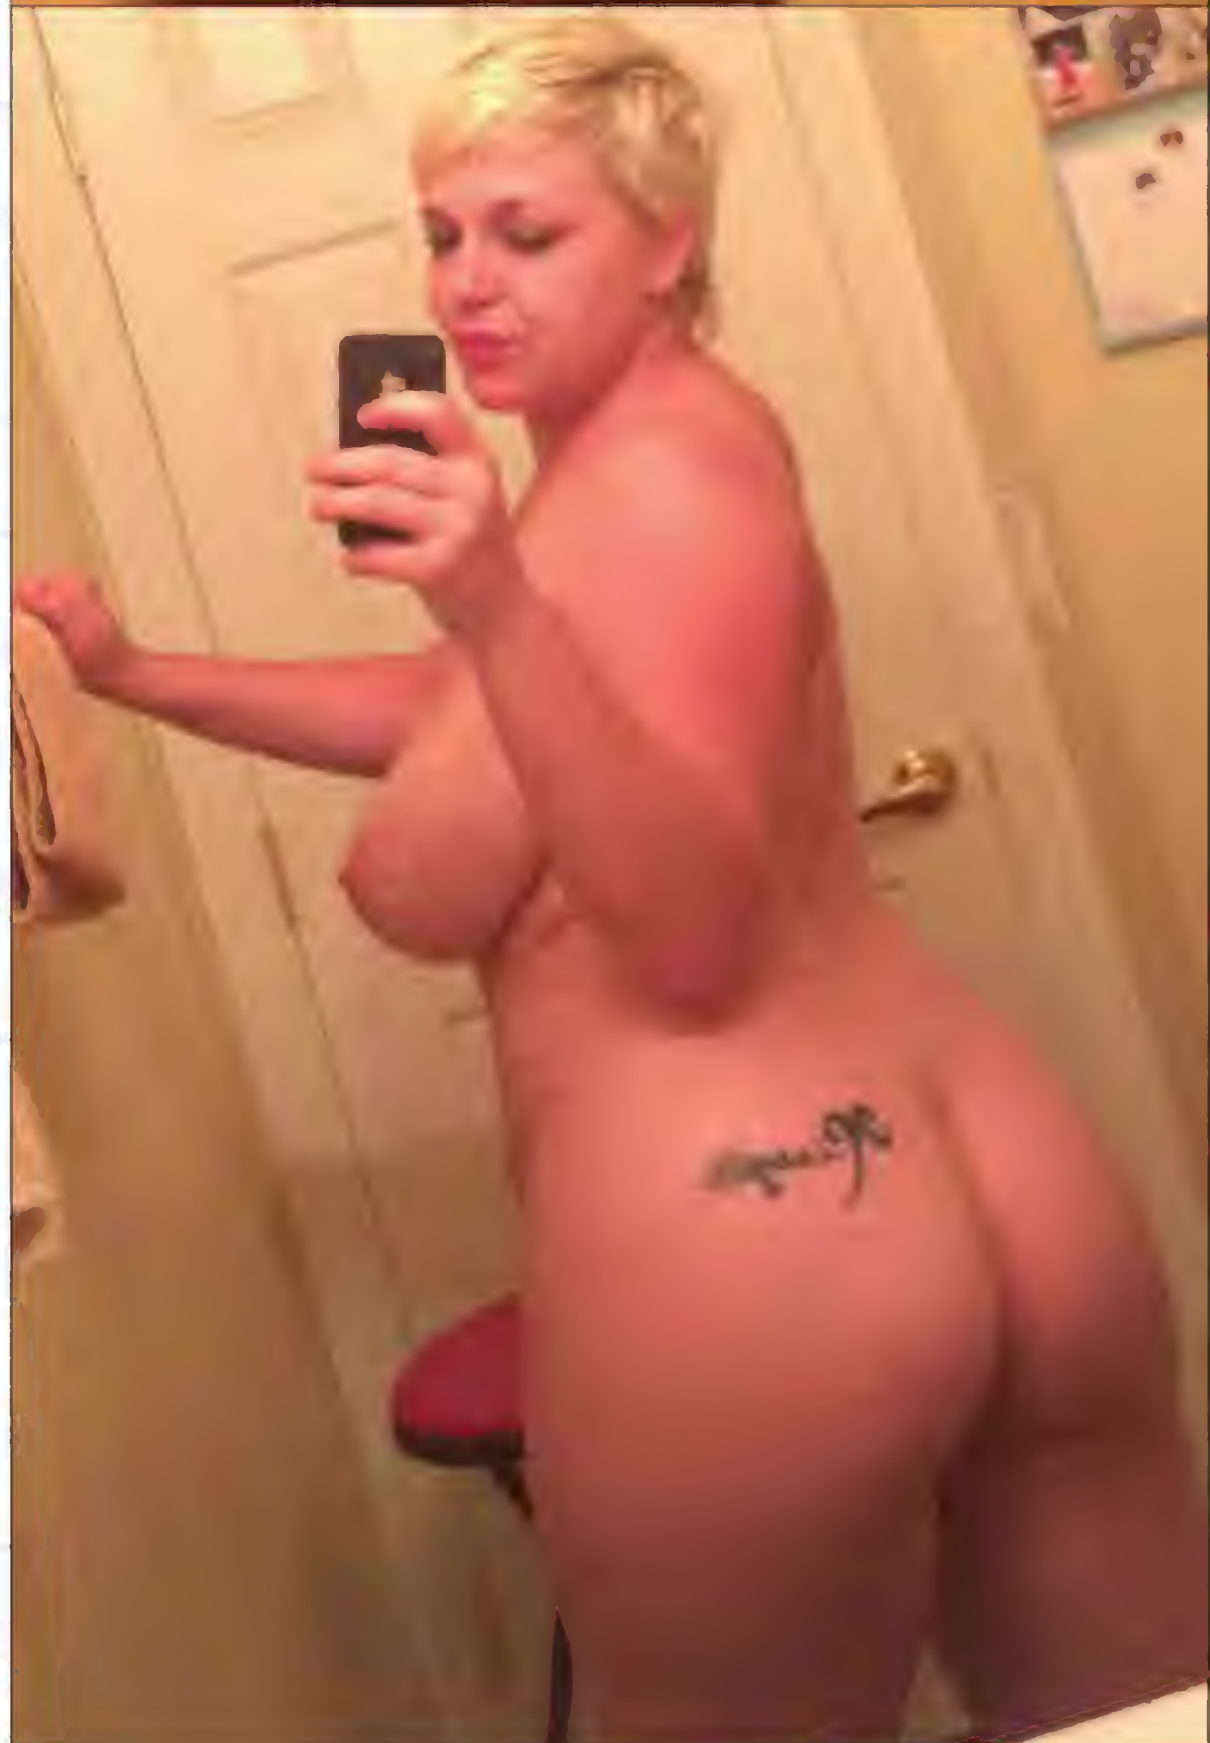

@Gabriel_Lan: Is there anything that won't be on the menu this time? Anything that you simply won't do?

@realmissymonroe: As of now I am pretty open.

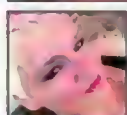

@Gabriel_Lan: You've done everything there is to do from my estimation. Anything you're wanting to do that you haven't done before?

@realmissymonroe: I didn't work with a lot of females before and I'm thinking I want to change that.

@realmissymonroe: I also plan to start my own website here soon and do live cam shows with my fans.

@Gabriel_Lan: Website and camshows... Great news for fans! That's kinda where the industry is headed now, isn't it?

@realmissymonroe: Yes!! I love that everything is always at the tips of your fingers now! All smartphones I think are a big reason for that. People can watch porn while at work now! :)

@Gabriel_Lan: Yoo want to direct again, huh? I'd think an Evil Angel or a Kink.com would jump at the chance to have you creating smut!!

@realmissymonroe: I would love to! I had the most fun being able to pair up and to direct people in how I wanted to see them fuck!

@realmissymonroe: I'm a pervert and got a lot of pleasure in doing that!

@Gabriel_Lan: With all the new talent that's come into the industry now, is there anybody you're just dying to get your hands...or holes...on??

@realmissymonroe: Honest, there is some talent that I am dying to get my hands back on! And I am sure that I will enjoy all the new ones too...

@realmissymonroe: But I miss Steve Holmes and Manuel and Mark Davis... Just to name a few. :)

@Gabriel_Lan: If they have any sense at all, many of today's girls should aspire to be like you. Who do you admire and respect most within the jizz biz?

@realmissymonroe: I have and always will admire and respect Belladonna. I think that she's one of the hottest most awesome chicks in the industry.

@Gabriel_Lan: So it's safe to assume that your loyal fan base will be pleased with Missy Monroe version 2.0 as well as a whole new legion of fans?

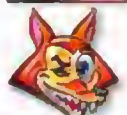

@realmissymonroe: I sure hope so! I plan on putting out some of the best work I've done yet. I hope that my loyal fans and new fans will be happy to see it!

@Gabriel_Lan: When a dirty little slut dreams, can she actually dream of something dirtier or kinkier than what she's already done or experienced? LoL

@realmissymonroe: OMG yes!! Such is why I would love to get behind the camera again.

@Gabriel_Lan: Being a well known dirty little slut, how often do you masturbate?

@realmissymonroe: A lot!! Especially if it's been awhile since the last time I had sex. :)

@Gabriel_Lan: Just out of curiosity, when was the last time you squirted like a fire hose? LoL

@realmissymonroe: Last week!! :)

@Gabriel_Lan: No shooting milk out of your asshole recently I take it? LoL

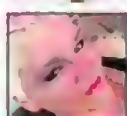

@realmissymonroe: Not as of late, but that was super sexy!

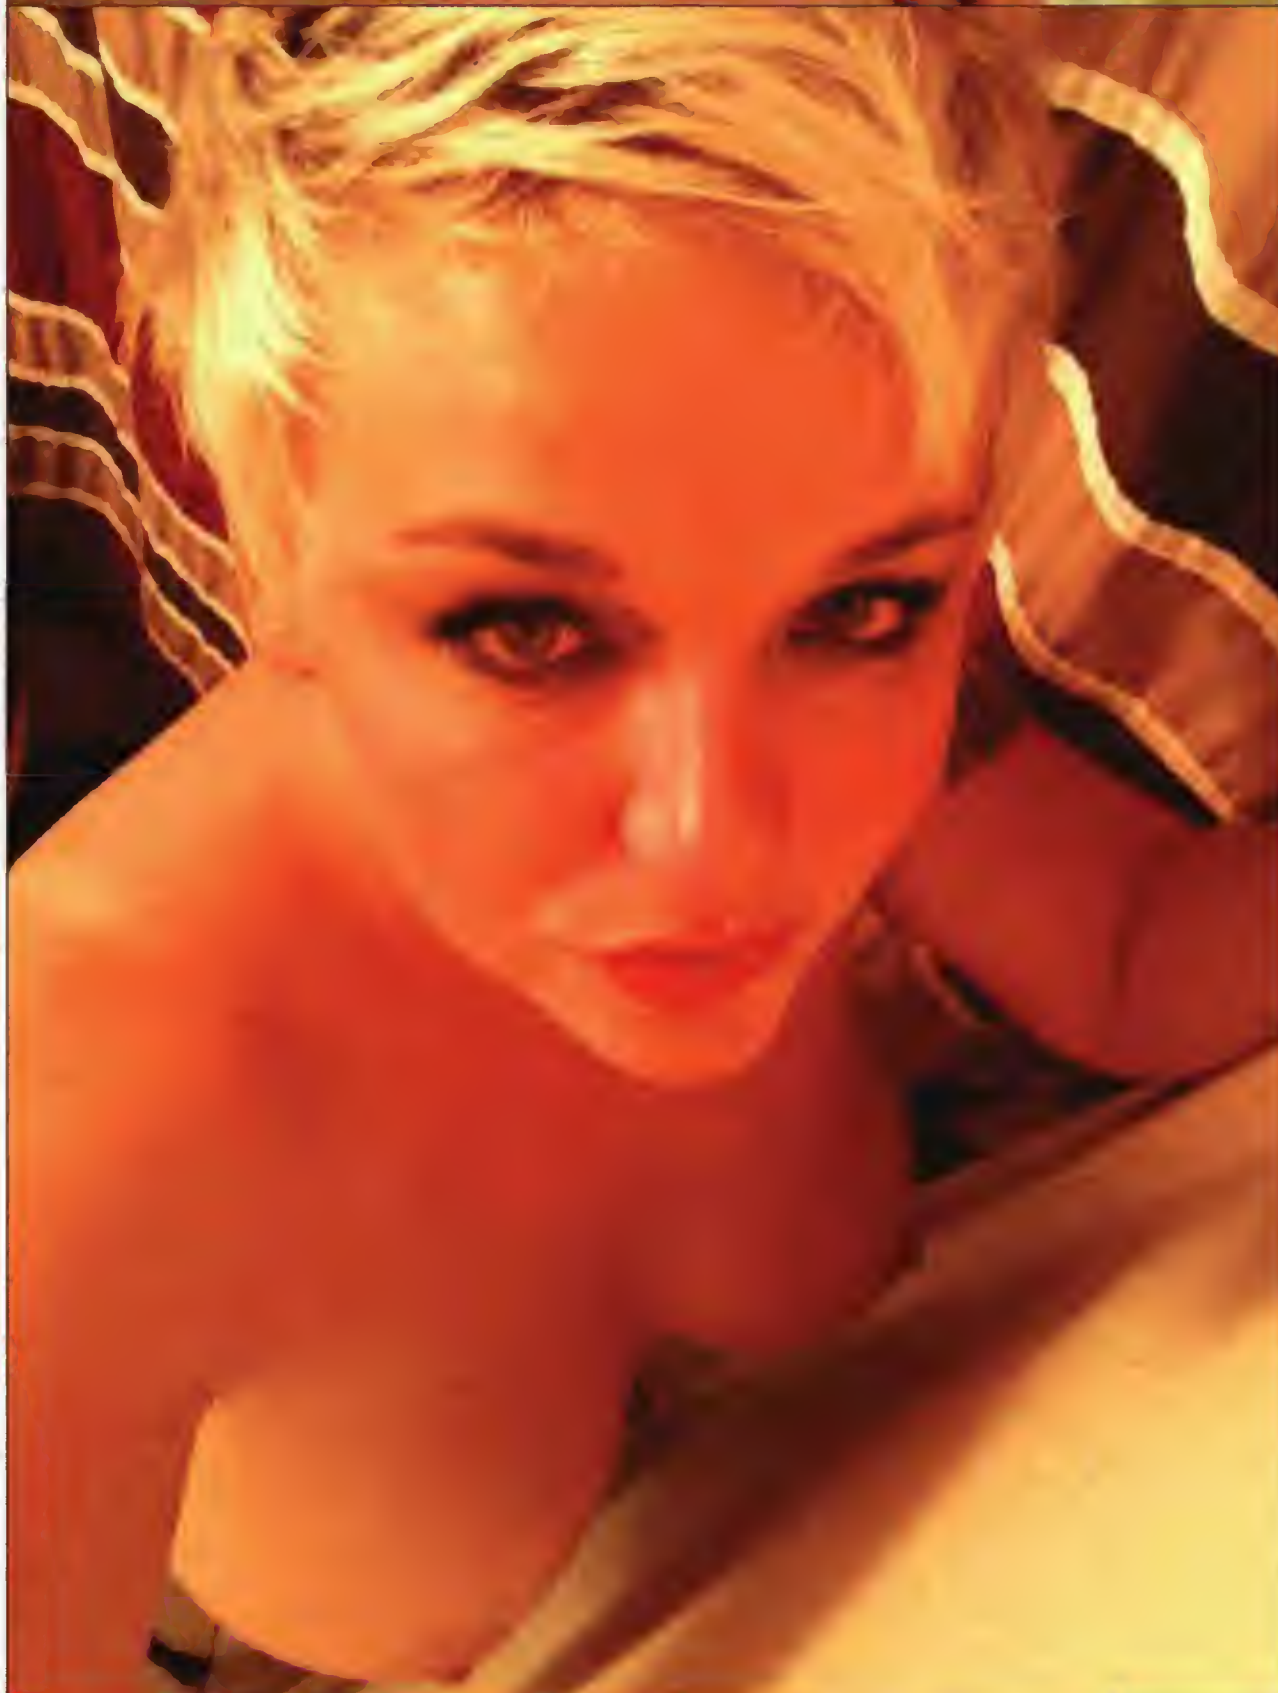

@Gabriel_Lan: Athletes often experience "rust" from having taken time off. Boxers have "ring rust" for example.

@Gabriel_Lan: Have you done anything to prepare yourself and help shake off any potential "mattress rust?"

@realmissymonroe: Working on bringing my freak out again! Thank god for my best friend, we have amazing sex!

@Gabriel_Lan: In my preparation for this, I read on your Twitter where you had just gone to your "least favorite place in the world....the dentist" for oral surgery.

@Gabriel_Lan: I take it you've never impressed him with your lack of a gag reflex then, huh? LoL

@realmissymonroe: The dentist is the worst! Maybe if I had shown him he might have gone a little easier on me! ;)

@Gabriel_Lan: Well, if the dentist is your least favorite place in the world, what is your favorite place?

@realmissymonroe: Haha! Well that would have to be anywhere where I can be a submissive lil slut!

@Gabriel_Lan: How often do you plan on commuting to Porn Valley to shoot? Are you going to have a "Have Holes, Will Travel" policy at all? LoL

@realmissymonroe: I would like to come out as much as possible! But my Number One is my son so I have to work around his schedule.

@Gabriel_Lan: If the new condom law comes into effect, Sin City could possibly become the new porn capital of the world, don't you think?

@realmissymonroe: Yes, I think so and I would live that! Vegas is home and if I had my porn here too, life would be perfect!

@Gabriel_Lan: What's your goal after you call it quits again? What would you like to be doing?

@realmissymonroe: I would like to continue in adult, either doing make-up or directing movies.

@Gabriel_Lan: What do you think people assume about you just by looking at you? Do you think any of those assumptions are true?

@realmissymonroe: That I am a lil spunky! And yes, I agree but a lot more so then they think ;)

@Gabriel_Lan: What's something most people don't know about you? Any "hidden talents?"

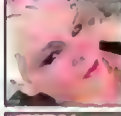

@realmissymonroe: I really like to play video games! LoL I like shooter ones like *Black Ops*... And I'm better than a lot of the guys I know!

@Gabriel_Lan: What is a typical Christmas for you? Do you get together and have a family dinner, watch football, all the "normal" stuff?

@realmissymonroe: I love Christmas! For me it's always been my favorite time of year.

@realmissymonroe: My family always gets together and has a fun party with amazing food and fun gift exchange games...

@realmissymonroe: And football is always a must! I'm a Chargers fan. :) And Christmas morning is just the best!

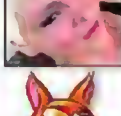

@Gabriel_Lan: I guess with you being a mother now, you can truly say that giving is better than receiving?

@realmissymonroe: Yes, I love the look in his bright blue eyes when he opens his gifts!

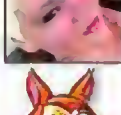

@Gabriel_Lan: Have any Christmas traditions?

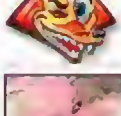

@realmissymonroe: We always have a nice Christmas Eve dinner and all open a gift or two. Then put out the cookies for Santa!

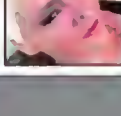

@Gabriel_Lan: Can you remember what your favorite Christmas present ever was?

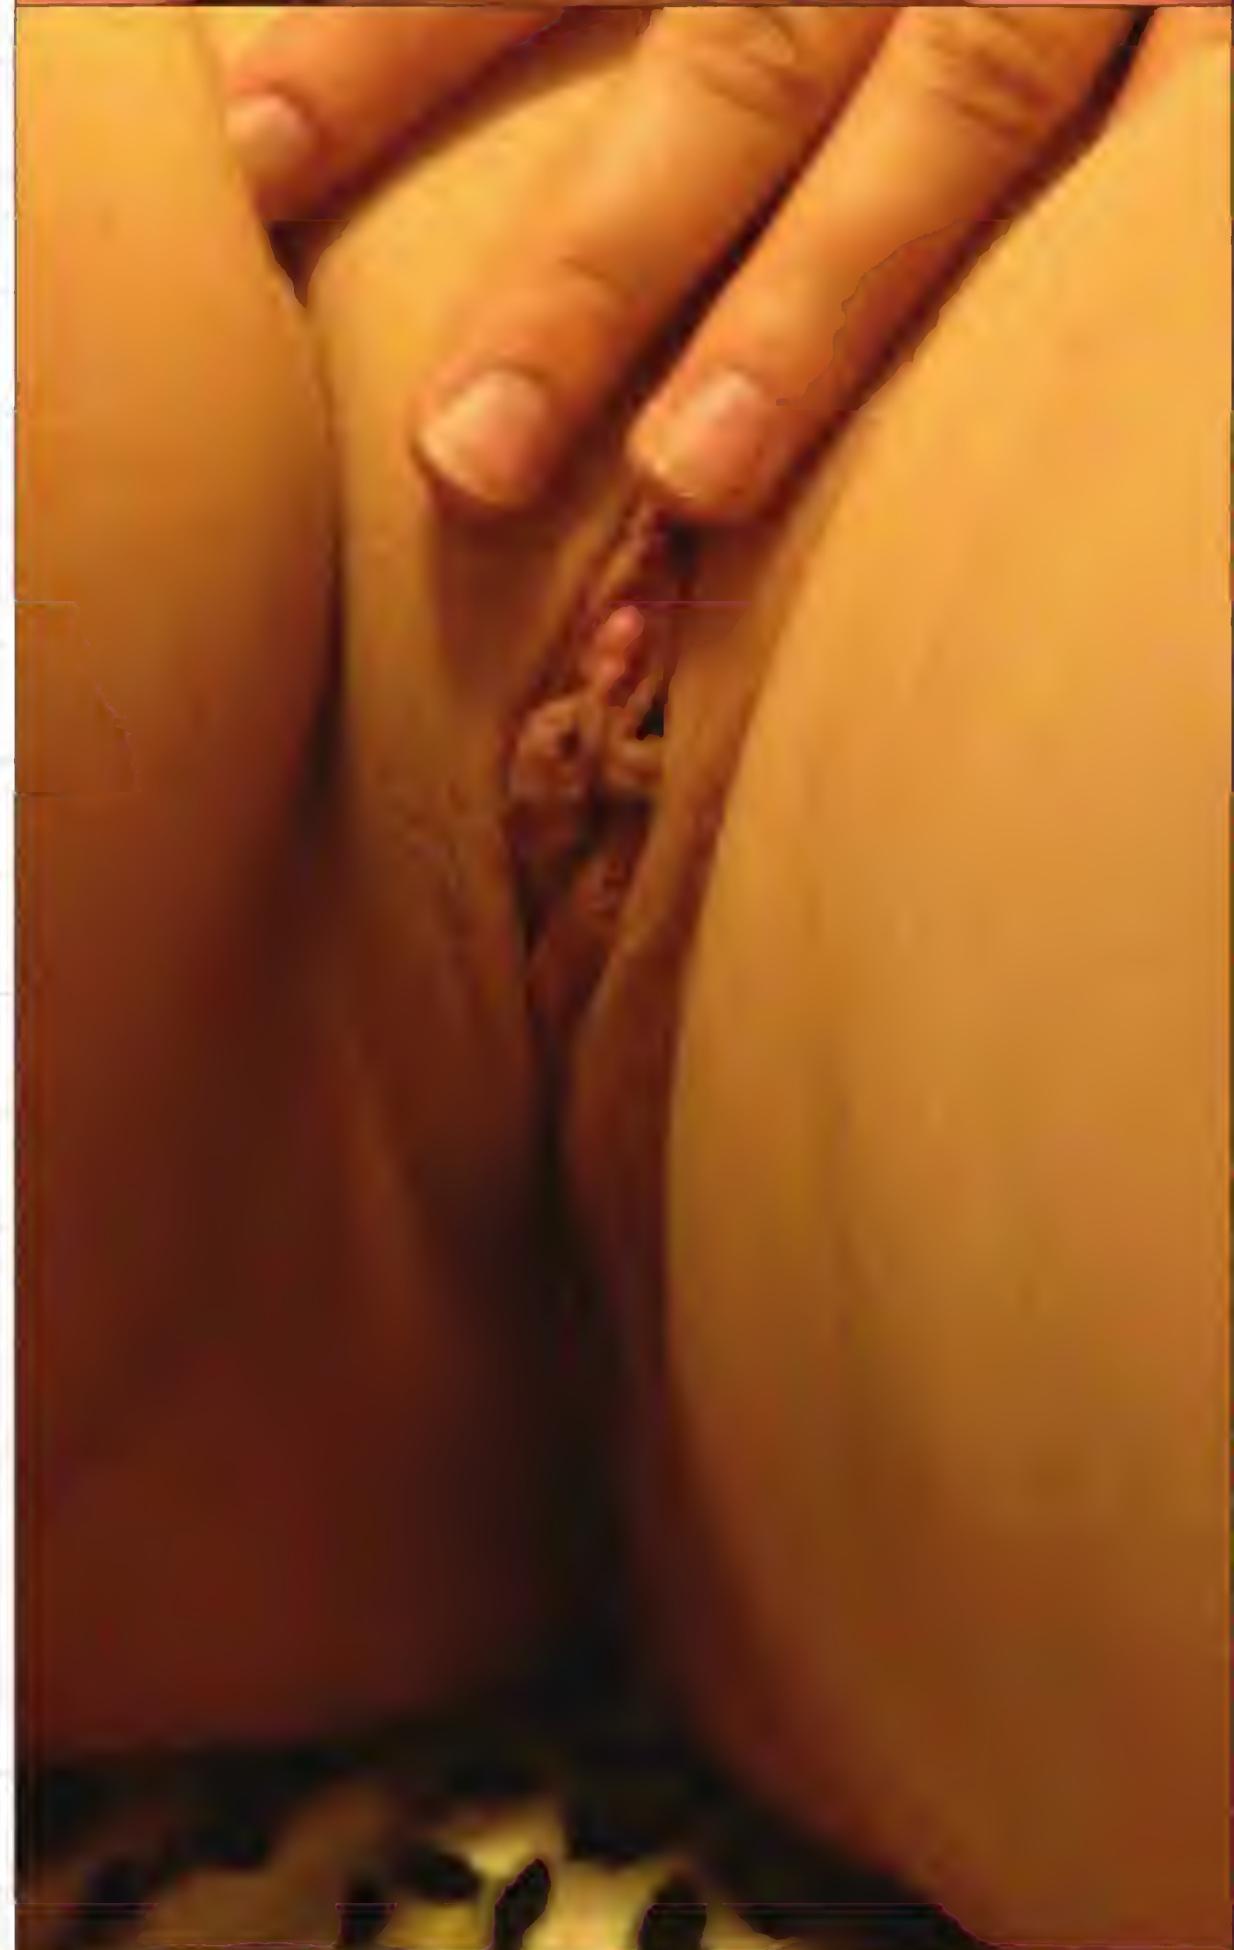

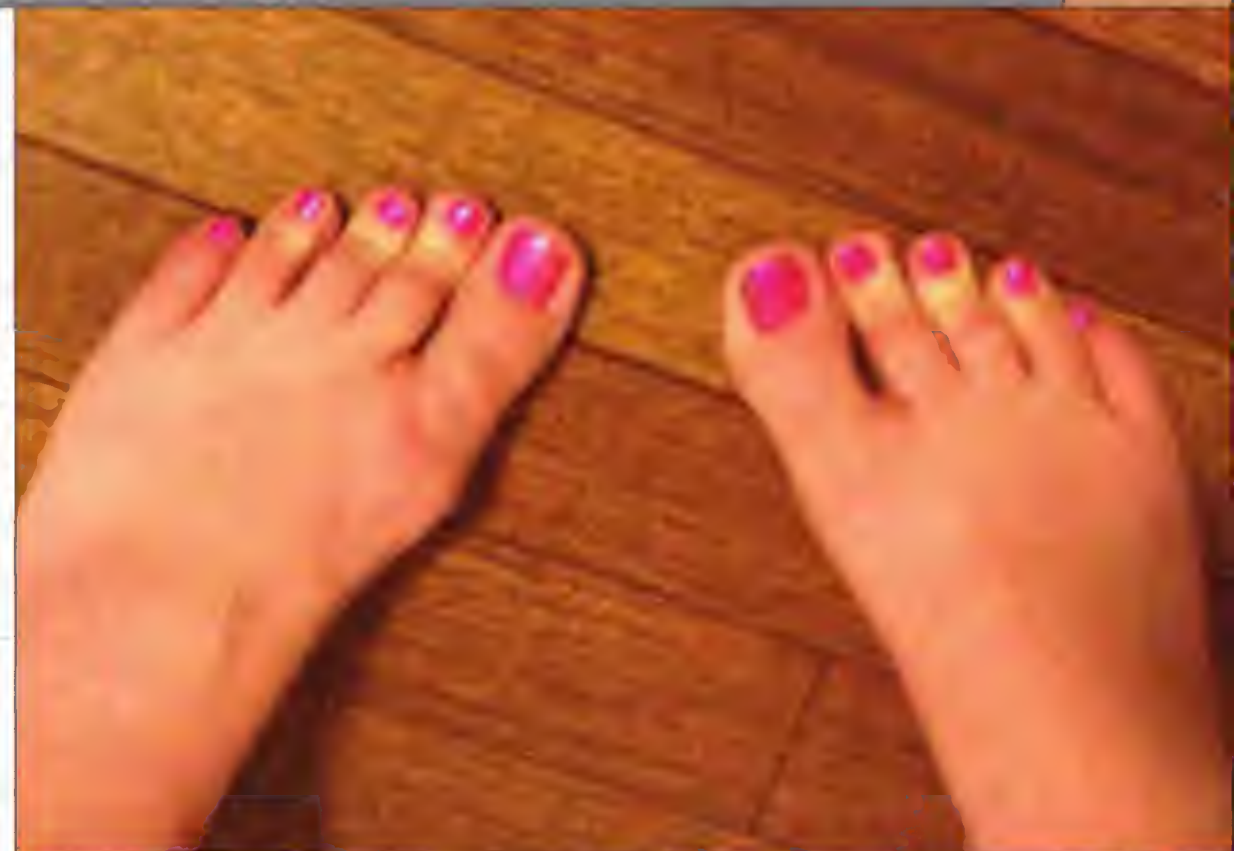

@realmissymonroe: When I was a little girl I got a green eyed Cabbage Patch baby doll that I just loved!

@Gabriel_Lan: If you could give all your loyal fans something for Christmas this year, what would it be?

@realmissymonroe: Some new naughty scenes to get off to! It's been awhile but I'm back and can't wait to make you cum again!! XoxoxoX

FOX TOP 25

Who do you nasty pervs watch or think about when you're jacking off? FOX wants to know, so we've asked you—the smut-watching, baby-batter spilling public—who you're rubbing one out to. In other words, who is in your personal Top 25? As always, we went directly to the fans on Twitter, to seek those out who were willing to share their opinions and personal tastes, and once again we discovered that you freaks have a wide array and variety of favorites. A whopping 381 pornstars received votes. Holding on to the top spot for the third consecutive poll by the narrowest of margins is FOX's October 2012 covergirl Lily Carter, but there was quite a bit of moving and shaking in the rankings. The only rule voters were given was that the pornstars themselves must be currently involved in shooting scenes in the porn industry. (For example: Riley Reid = Yes! Hillary Scott = No!) Points were awarded as follows: 25 points for a 1st place vote, descending to 1 point for a 25th place vote, plus bonus points for number of appearances on separate lists. Here are the results:

- 1 LILY CARTER**
- 2 JADA STEVENS**
- 3 LEXI BELLE**
- 4 RILEY REID**
- 5 ASHLI ORION**
- 6 PHOENIX MARIE**
- 7 LILY LABEAU**
- 8 ASA AKIRA**
- 9 KRISTINA ROSE**
- 10 REMY LACROIX**
- 11 AMY BROOKE**
- 12 JENNIFER WHITE**
- 13 CHANEL PRESTON**
- 14 TORI BLACK**
- 15 JAYDEN JAYMES**
- 16 ALEXIS TEXAS**
- 17 LISA ANN**
- 18 GRACIE GLAM**
- 19 JESSIE ANDREWS**
- 20 HOLLY MICHAELS**
- 21 ASH HOLLYWOOD**
- 22 ASHLYNN LEIGH**
- 23 KAGNEY LINN KARTER**
- 24 BROOKLYN LEE**
- 25 KAYDEN KROSS**

Follow FOX on Twitter at @FOXMagazine and tell us you'd like to be a voter in the next poll. FOX would like to thank the following voters for contributing to this issue's poll: @Johnny_BBadd @IronHyde187 @pornoissuer @cashman27 @PornLoverNYC @BoyToys @Its_that_1_guy @Michael54536627 @MyFilthyHalf @Brian32223 @Txman210 @TheWestSpotX @ryansaidthis @JustLamar @Robertinhoram @illikeporngirls @pierre78 ADT @PaulieK2003 @Count_Da_Money @jamie189227 @dwyze69 @ruebenfargas @TheRealJLTampa @FottSniffah @bootylove44 @DarkSeeker0830 @laughdamnit03 @jjkvo07 @boygirlgirl @DurdyTimmy @311toIncubus @Pornston @LarryD81401 @Darlusthegr8one @smooth1318 @cmac3010 @bwalker23 @machlur @just4funsa @Salvoscim @DickFittswell @CharlottesBigAl @however7 @Tecs1 @BradSabbath and @On_Da_Moon420.

**Zoey
Mortdoe**

@ZoeyMonroeX0

Porno newbie Zoey Monroe is about as All-American as they cum. She's got long blonde hair and an adorable bod, replete with perky boobies, trim legs, and a sweet lil hiney. Her mound looks like it would melt in your mouth, like a juicy, ripe peach minus the annoyance of fuzz. Sure, she sports a couple of tats but that's par for the course among young hotties these days. And anyhow, she's got an infectious smile and a whole lotta verve—her enthusiasm for participating in filthy XXX entanglements is all but limitless. Just note the unabashed joy with which she wields that vibrating blue wand, her grin getting wider and wetter by the minute. Why, the girl giggles herself straight to O-ville! It's so incredible to witness the honest-to-goodness orgasm of a naturally stunning babe—no gimmicks, no frills, just the unbridled beauty of a girl getting off. 🐱
